Players will take on the challenge of being able to predict the upcoming winner of the competition. The competition will be played over four seasons with twelve teams from around the world competing. The format of the game is similar to that of the original Populous, wherein players build their civilization in turns using spells, and can only advance when they start a 'Game Over' situation, which is due to be the last player left with their civilization has no spells left to use, and their civilization can't build any more structures, and then they are eliminated from the game.
